Vorsprung durch Technik

The Audi A6 and new S6 Saloon and Avant

Pricing and Specification Guide

Valid from January 2013

Personalising your Audi A6

This guide has been designed to help you tailor and price your Audi A6 quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A6 online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

V8T

The Audi A6
Enhanced driving

The new Audi A6 is designed to enhance the whole experience of driving. It's thanks to technologies like SD card-based Satellite Navigation as standard, as well as optional Wi-Fi technology that lets you and your passengers access the internet on the move. But just as important as what we've added is what we've taken away. Wherever possible, we've used aluminium in this vehicle's construction, which has enabled us to reduce weight, lower fuel consumption and improve agility.

You'll find a wide range of equipment as standard, including 17" alloy wheels, leather upholstery and Multi-Media Interface with a retractable 6.5" display. And you can also choose from a wide range of innovative options, including a 15-speaker Bang & Olufsen Advanced Sound System and a cockpit-style head-up display that enables you to keep your eyes on the road at all times. Of course, that's just the beginning. Read on to see everything the Audi A6 has to offer.

A6 interior story

We've introduced a number of finishing touches to the Audi A6 interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the luxurious leather seating to our optional customised stitching, which means that every journey you make will be a personal one.

Engines

Petrol

TFSI® direct-injection technology is a unique Audi innovation that includes supercharging. It combines FSI® technology with forced induction – giving cars an extra injection of power and torque. It also delivers enhanced fuel efficiency as precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. The latest addition to the range is a TFSI full-hybrid which combines the award-winning 2.0 TFSI engine with a 40 kW electric motor and lithium-ion battery, allowing all-electric driving over short distances for the first time in the A6. Please see pages 16 and 28 for more information on hybrid driving.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions. The recently introduced bi-turbo diesel engine is our most powerful six-cylinder diesel engine to date, capable of 313PS and an impressive combined mpg of 44.1.

Images are for illustrative purposes only.

Transmission

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® automatic transmission is available on models without quattro® permanent all-wheel-drive. A continuously variable transmission, multitronic® can transmit up to 400 Nm of torque and permits an exceptionally wide range of gear ratios. The result is smooth, powerful acceleration and a high level of driving comfort. And thanks to its lightweight design and a number of advanced electronic control systems that monitor gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption.

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

tiptronic®

The 8-speed tiptronic transmission system reduces both fuel consumption and CO_2 emissions. It converts high-torque engine power into sporty performance and operating convenience, with crisp, fast gear changes and an optimised gear-shift strategy. More spontaneous gear changes are a particular benefit, especially when downshifting. Both in the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic® respond efficiently to every driver input.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A6.

Recuperation

When a vehicle brakes, the discs convert kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system like the one in the Audi A6, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Enhanced air conditioning

The efficient cooling system in the Audi A6 can save up to 8 g/km of CO_2 compared with the previous model. It's thanks to a new brushless motor that's lighter, uses less energy and has a longer operating life.

Image for illustrative purposes only.

Lightweight construction

From the earliest stages of its design, we looked for ways to save energy in the Audi A6. It's why every component has been optimised for greater agility, improved efficiency and more driving pleasure. In fact, thanks to its hybrid aluminium construction, this advanced model is now approximately 15% lighter than a conventional steel vehicle.

Audi cylinder-on-demand

High performance does not necessarily equate to higher consumption – as the engine of the new S6 proves. Using advanced cylinder-on-demand technology to automatically shut down four of the eight cylinders when they are not required, particularly in city traffic, you benefit from the efficiency and low emissions of a car with a much smaller engine. But out on the open road, the unbridled and instantaneous power of the turbocharged V8 is ready and waiting.

Efficiency programmes

The Driver's Information System in the Audi A6 comes as standard with an innovative efficiency programme, which offers advice on improving fuel economy as you drive. Also, via the standard Audi drive select system you can choose a new efficiency setting which aids you in driving even more economically. For more details, see page 22.

Automatic Start-Stop function

In heavy traffic, your car still uses fuel and releases CO_2, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with TDI® and TFSI®, it helps save up to 0.4 litres of fuel every 100km.

Hybrid

The Audi A6 hybrid brings all the comfort, luxury and quality of the Audi A6 combined with the benefits of a full hybrid vehicle. Audi hybrid models offer two things at once – impressive performance and low emissions. You can benefit from different driving styles and modes depending on your needs, ranging from all-electric and virtually emission-free driving, to conventional driving boosted by the electric motor to enhance performance.

Electric motor – combines efficiency and dynamism - acting as either traction engine, generator or starter depending on the driving situation and performance requirement. It has an output rating of 40 kW and a maximum torque of 210 Nm. The compact and particularly lightweight electric motor is connected to the crankshaft through a clutch – this parallel hybrid concept ensures that available power is transmitted directly. The result: convincing drive-off performance and acceleration in just about every driving situation.

2.0 TFSI engine – has received the "Engine of the Year"* award 5 times. The Audi valve-lift variable valve control system markedly improves engine efficiency and increases torque at the same time. The combination of this and the high torque available from the electric motor makes for impressive, dynamic acceleration.

Hybrid power electronics – independently control the flow of energy between the high-voltage battery and the electric motor; supplying power to the vehicle's on-board systems. The use of the latest technologies allows for high functionality within a compact design.

*The 'International Engine of the Year Awards' are awarded by renowned motor journalists from more than 30 countries.

Lithium-ion battery – determines the performance and operating range of the hybrid drive train. It has 2 major advantages compared with conventional nickel metal-hydride batteries: its high energy density means greater power output, whilst the compact construction considerably reduces its weight. This in turn benefits the vehicle's luggage space – despite the battery it has a volume of 375 litres above the loading floor. Active battery cooling improves the availability of the hybrid system and prolongs its operating life. Thus the Audi A6 hybrid is one of the first cars in the luxury class to run purely on electricity with a lithium-ion battery for a certain period.

Hybrid driving modes – the A6 hybrid can be driven purely electrically in EV mode up to a speed of 62mph for short distances. This makes for reduced emissions and almost silent driving. D mode is set up for optimised fuel consumption and main drive power comes from the 2.0 TFSI engine. The program maintains an efficient balance between fuel consumption and performance. Features of this mode include electric drive, gliding, start-stop, boosting and recuperation. The boosting feature enables the electric motor to boost the combustion engine, briefly generating additional output and torque for the hybrid system. The S mode features sporty engine and transmission settings and performance can be boosted by the electric motor.

Electromechanical power steering – increases efficiency as the steering force isn't supplied by the engine, but is instead generated electrically when required.

e-automatic air-conditioning – is operated by an electric air conditioning compressor, working independently of the engine. This means climate control is always available – even in pure electric mode and with the engine switched off when the vehicle is at a standstill.

For more information regarding the Audi A6 hybrid drive please speak to your local Audi Centre.

quattro®

It's the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the A6 so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe.

In the A6, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles, depending on weather conditions, road surface and gradient. This leads to greater flexibility and an enhanced, sportier drive.

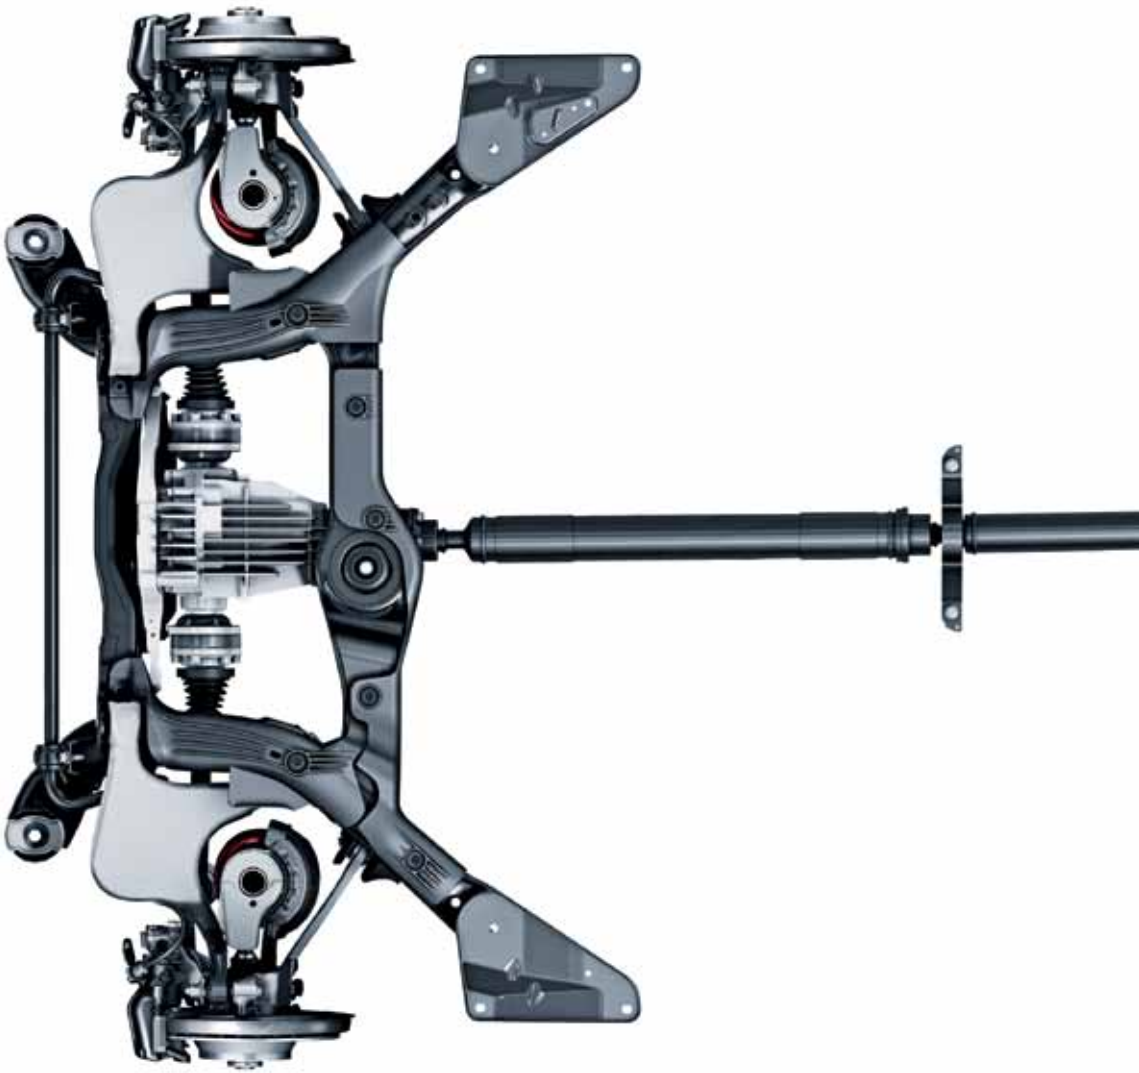

Image for illustrative purposes only.

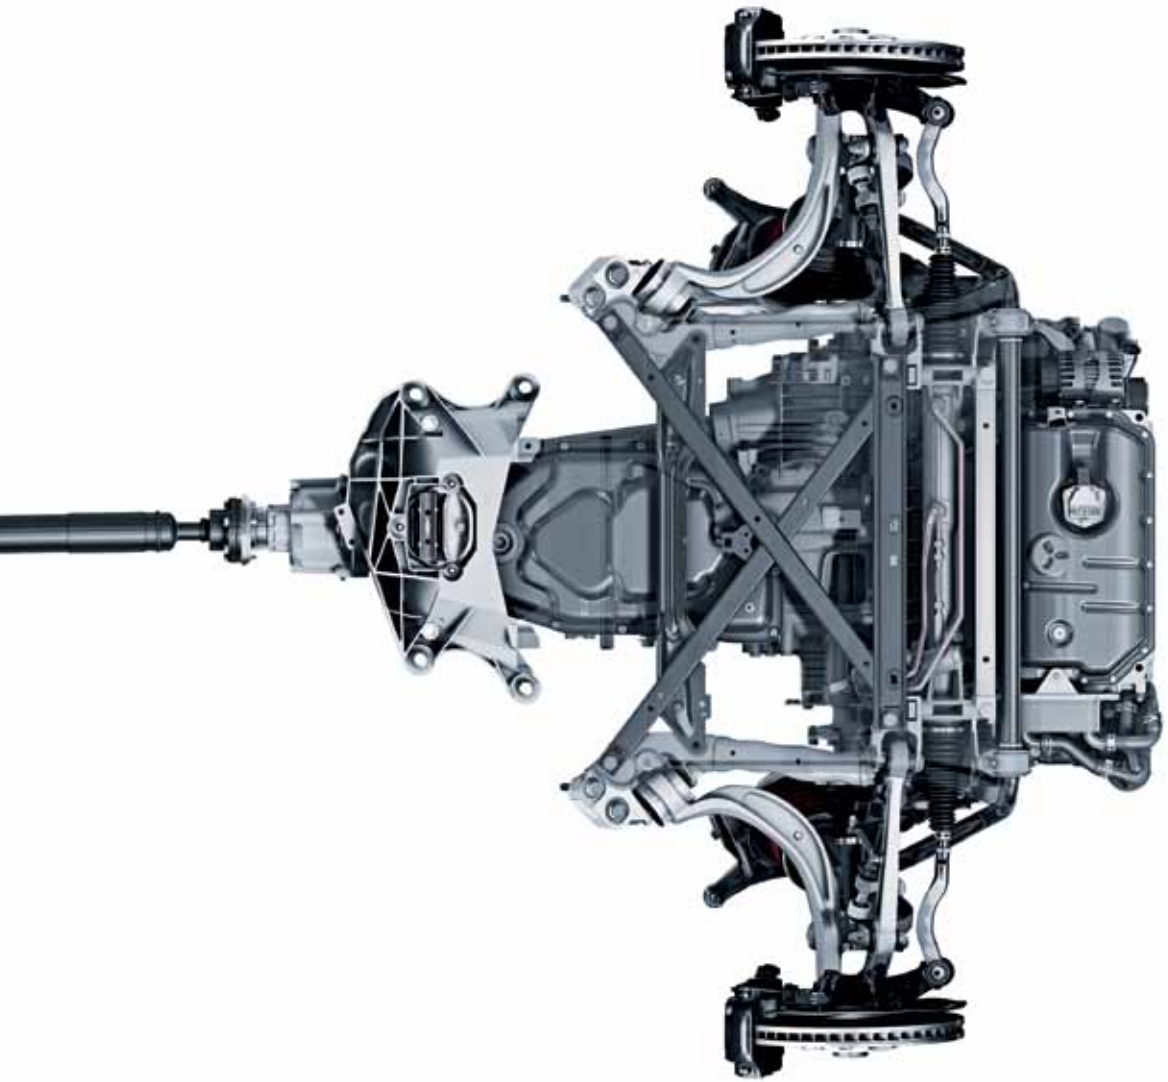

quattro® with Sports differential

The optional electronically regulated Sports differential distributes variable amounts of drive force to each rear wheel, ensuring outstanding acceleration performance when cornering and stabilising the vehicle's response to load change. It also brings better direct steering characteristics and, as it requires less steering effort, more agile handling.

SE model equipment

All A6 SE models have the following items of standard equipment

Engine and transmission

Start-Stop system with energy recuperation

Wheels, tyres and suspension

17" x 8J '10-spoke' design alloy wheels with 225/55 R17 tyres

Electromechanical parking brake

Audi drive select with four pre-configured modes (Comfort, Auto, Dynamic and Efficiency), allowing the driver to electronically adjust the engine, transmission and steering. The new efficiency mode influences the shift program, electromechanical power steering, engine, cruise control, and where fitted, deluxe automatic air conditioner, adaptive air suspension and quattro with Sports differential

Space-saver spare wheel

Anti-theft wheel bolts

Tool kit and car jack

Safety and security

Driver's Information System (DIS) – Monochrome display in the direct field of view of the driver. The DIS shows the radio frequency/station or the song title, outside temperature, trip computer, gear-shift display, telephone menu and a rest recommendation feature which visually and acoustically alerts the driver to take a break when getting tired

Cruise control – maintains any speed above 18mph, provided the engine power output and engine braking effect permit it; operated via separate steering column stalk. The set speed is displayed in the Driver's Information System

Light and rain sensor – automatically switches the dipped beam or windscreen wipers on/off depending on the light and rain conditions; includes delayed deactivation/automatic activation of the rear lights and number plate lights when parking or opening the vehicle

Audi parking system plus – acoustic and visual park assist system for the front and rear with Multi-Media Interface (MMI) screen display; measurement is by ultrasonic sensors concealed in the bumpers

Tyre pressure monitoring display – provides a visual and acoustic warning of loss in pressure in one or more tyres; defective tyre is displayed in the Driver's Information System

Electronic Stability Control (ESC)

First-aid kit with warning triangle

Front airbags with front passenger deactivation – also includes front side airbags and curtain airbags

Seat belt monitoring

Anti-theft alarm with tow-away protection via angle of inclination sensors (can be switched off), including interior monitoring system which can be switched off; alarm for monitoring doors, bonnet and tailgate, independent of vehicle electrical system

Keyless go – conveniently allows the engine to be started by simply pressing the start/stop button in the centre console. The key just needs to be carried

Hill-hold assist holds the vehicle stationary for unlimited periods after stopping on upward and downward slopes

4-spoke leather trimmed multi-function steering wheel

Dual-zone electronic climate-control

Seats

Split-folding rear seat backs

Standard seats in Milano leather upholstery including seat covers, head restraints and front centre armrest. The leather is hard-wearing and durable. Includes manual adjustment for seat height, length, backrest angle, head restraint, belt height and steering wheel reach and height

ISOFIX child seat mounting for front passenger (with airbag deactivation) and outer rear seats

Audio and communication

MMI Radio Plus including:

- MMI control panel operating the MMI display (6.5" retractable colour display)
- 2 SDHC memory card readers (up to 32GB) and single CD player that supports MP3, WMA and AAC
- TP memo – automatically saves traffic news when driving

MMI Navigation (SD card) including:

- 6.5" retractable MMI colour display with high quality map display including 7-digit postcode recognition
- Voice control using whole words
- Dynamic route guidance
- Additional display in the Driver's Information System

Audi sound system

- 6-channel amplifier
- 180-Watt amplifying capacity
- 10 loudspeakers including subwoofer

AUX–IN socket

Mobile telephone preparation – Bluetooth interface: Bluetooth-compatible mobile phones can be connected to the vehicle via the interface, allowing handsfree calls via the microphone

Interior equipment

Dual-zone electronic climate control – automatic air conditioning which electronically regulates the air temperature, air flow rate and distribution for the driver and front passenger sides

4-spoke leather-trimmed multi-function steering wheel (with paddles for automatic transmissions)

Auto-dimming rear-view mirror – uses a photocell to recognise when the headlights behind are too bright and dims automatically

Front centre armrest for driver and front passenger, movable and with adjustable angle

Cloth headlining

Luggage compartment system (Avant models only). Comprising:

- Rail luggage-fixing system
- Dirt-resistant tray
- Double cargo floor
- Lashing points, side restraining straps and bag hooks

Non-smoking package comprises a 12V socket in the front and rear centre consoles

Inlays in aluminium trigon

Door sill trims with aluminium inlays

Front and rear floor mats coordinated with the selected interior colour

Exterior equipment

Exterior mirrors – electrically adjustable and heated

Halogen headlights including fog lights incorporated into the front bumper apron

Body-coloured door mirrors

Aluminium roof rails (Avant models only)

Body-coloured roof spoiler (Avant models only)

Tow bar bracket preparation – tow bar preparation includes wiring to the control unit, fitting for control unit and adapted engine cooling. The set of parts for retrofitting is available from Audi Accessories or available as an option (see page 76)

Image shows A6 SE model including optional Ice silver, metallic paint (P5)

S line model equipment

In addition to SE model equipment

Wheels, tyres and suspension

18" x 8J '5-twin-spoke' design alloy wheels with 245/45 R18 tyres

Sports suspension lowered by 20mm

Seats

Front Sports seats including electric 4-way lumbar support and manual adjustment for seat height, length, depth, backrest, head restraint, belt height and steering wheel reach and height

Seats upholstered in black Valcona leather with embossed S line logo in the front seat backrests

Interior equipment

S line 3-spoke leather multi-function Sports steering wheel with S line badge (includes paddles in automatic models)

Gear lever knob in black perforated leather

Door sill trims with S line logo

S line inlays in matt-brushed aluminium

Headlining in black cloth

Exterior equipment

S line badges on the front wings

S line front and rear bumpers, side ventilation grilles, side skirts

Platinum grey front spoiler lip and diffuser insert

Xenon all-weather headlights with LED daytime-running lights

LED rear lights

Headlight washers

Saloon & Avant 4-cylinder engines	Saloon & Avant 6-cylinder engines
Basic RRP £1,541.67	**Basic RRP** £1,958.33

Black Edition model equipment

In addition to S line model equipment

Wheels, tyres and suspension

20” x 8.5J ‘5-arm Rotor’ design titanium-look alloy wheels with 255/35 R20 tyres

Audio and communication

Audi Music Interface – universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone

DAB digital radio – receives programmes from digital radio transmitters in addition to the range of analogue stations, with better sound quality

BOSE® Surround Sound

Interior equipment

Inlays in Piano finish, black

Exterior equipment

Black styling package – front radiator grille-frame in highly polished black. Number plate holder, radar sensor surrounds (if fitted) and window surrounds in matt black. Avant models include black roof rails

Privacy glass – dark-tinted rear and rear-side windows (from B-pillar backwards)

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows A6 Black Edition model including optional Daytona Grey, metallic paint (6Y) and all-LED headlights including high-beam assist (PX2)

Hybrid model equipment

In addition to SE model equipment

Engine and transmission

73 litre fuel tank

Wheels, tyres and suspension

17" x 8J '10-arm Turbine' design alloy wheels with 225/55 R17 tyres

Tyre repair kit (replaces space-saver spare wheel)

Safety and security

Driver's Information System (DIS) with 7" colour display

Audio and communication

MMI Navigation Plus with MMI Touch

- 8” retractable MMI colour display with high quality 3D map display including 7-digit postcode recognition
- Voice control using whole words
- Specific hybrid information on energy flow and fuel consumption integrated into the display
- Dynamic route guidance (TMC)
- Additional display in the Driver's Information System
- Incorporates MPEG4-compatible DVD player and two SDHC memory card readers (up to 32GB)

Interior equipment

Deluxe 4-zone automatic air conditioning. Includes front control panel with digital display, as well as separate temperature control for the driver and front passenger sides. There are additional controls with digital display in the rear with separately adjustable temperature and blower settings for right and left side

Door sill trims with aluminium inlays and hybrid logo

Power meter. Replaces the conventional rev counter on the instrument panel, keeping the driver informed of the vehicles' current operating situation. This includes the charge status of the lithium-ion battery, possible range for electric driving, combustion engine output and when the vehicle is ready to be operated

EV button. Located on the centre console and can be used to keep the vehicle in electric-only mode provided no system limits are exceeded. In EV mode, the vehicle can be driven purely on electric power for short distances

17" x 8J '10-arm' Turbine design alloy wheels – C4D

Door sill trims with hybrid logo

Hybrid instrument panel including Power meter

Exterior equipment

Slide-and-tilt sunroof. With tinted single-glazed safety glass and infinitely adjustable sun shield, integral wind deflector and convenient closing from outside via the central locking and the radio-operated remote control

Hybrid badge on the front grille and luggage compartment lid

For more information regarding the Audi A6 hybrid drive please speak to your local Audi Centre

Image shows A6 hybrid model including optional Arctic silver, metallic paint (Y0), 18" x 8J '10-arm Turbine' design anthracite partly polished alloy wheels (PRZ) and all-LED headlights including high-beam assist (PX2)

S6 model equipment

In addition to SE model equipment

Engine and transmission

Audi cylinder-on-demand technology

Active noise cancellation system. Effectively compensates for noise interference inside the car, depending on the interior noise level and engine speed. Four microphones installed in the roof lining register background engine noise and, if necessary, a precisely calculated antiphase sound is emitted through the car's internal sound system

75 litre fuel tank

Wheels, tyres and suspension

19" x 8.5J '5-parallel spoke' S design alloy wheels with 255/40 R19 tyres

'S' Sports adaptive air suspension – electronically controlled air suspension with continuously adaptive damping system on all 4 wheels to automatically regulate vehicle ride height by up to 20mm depending upon mode. Choice of 4 modes – Auto, Comfort, Dynamic and Lift, selected via the MMI system

quattro with Sports differential – the electronically regulated Sports differential distributes variable amounts of driving force to each rear wheel ensuring outstanding acceleration performance when cornering. It also ensures better direct steering characteristics and more agile handling

Seats

Valcona leather upholstery

'S' Super Sports front seats with driver's side memory function (12-way adjustable) including:

- Stitched diamond design with embossed S6 badge
- Electrically adjustable seat height
- Electrically adjustable upper backrest angle
- Electrically adjustable seat cushion angle
- Electrically adjustable seat forwards and backwards position
- 4-way electric lumbar support

Heated front seats

Interior equipment

'S' 3-spoke leather multi-function sports steering wheel with gear-shift paddles, contrast stitching and S6 emblem

Aluminium door sill trims with S6 logo

Inlays in Carbon atlas including upper dashboard and gear selector lever surround

'S' instrument dials

Storage package consisting of 2 drink holders in the rear centre armrest, luggage net and two 12V sockets in the rear

Deluxe 4-zone automatic air conditioning. Includes front control panel with digital display, as well as separate temperature control for the driver and front passenger sides. There are additional controls with digital display in the rear with separately adjustable temperature and blower settings for right and left side

Start/stop button with red surround

19" x 8.5J '5-parallel spoke' S design alloy wheels – CZ3

Inlays and gear selector lever surround in Carbon atlas

Exterior equipment

Aluminium-effect door mirror housings

Exterior mirrors – heated, electrically adjustable and with memory function

Xenon all-weather headlights with LED daytime-running lights

LED rear lights

Headlight washers

Dual-branch oval twin tailpipes in chrome finish

Platinum grey 'S' single-frame radiator grille with dual struts in chrome and S6 logo

Matt black painted brake callipers with S6 logo

'S' Body coloured side sill trims

Front bumper air intakes with aluminium-effect accents

Platinum grey rear bumper diffuser insert with aluminium-effect strip

Aluminium roof rails (Avant only)

Safety and security

'S' model enhanced braking system

Driver's Information System (DIS) with 7" colour display

Tracking system preparation

'S' instrument dials

Dual-branch oval twin tailpipes in chrome finish

Audi exclusive leather (package 2) Comfort seats in black with crimson red stitching, centre fold piping, and lower centre console top section. Audi exclusive controls package in black with crimson red stitching and Audi exclusive seat belts in crimson red. Piano black inlays

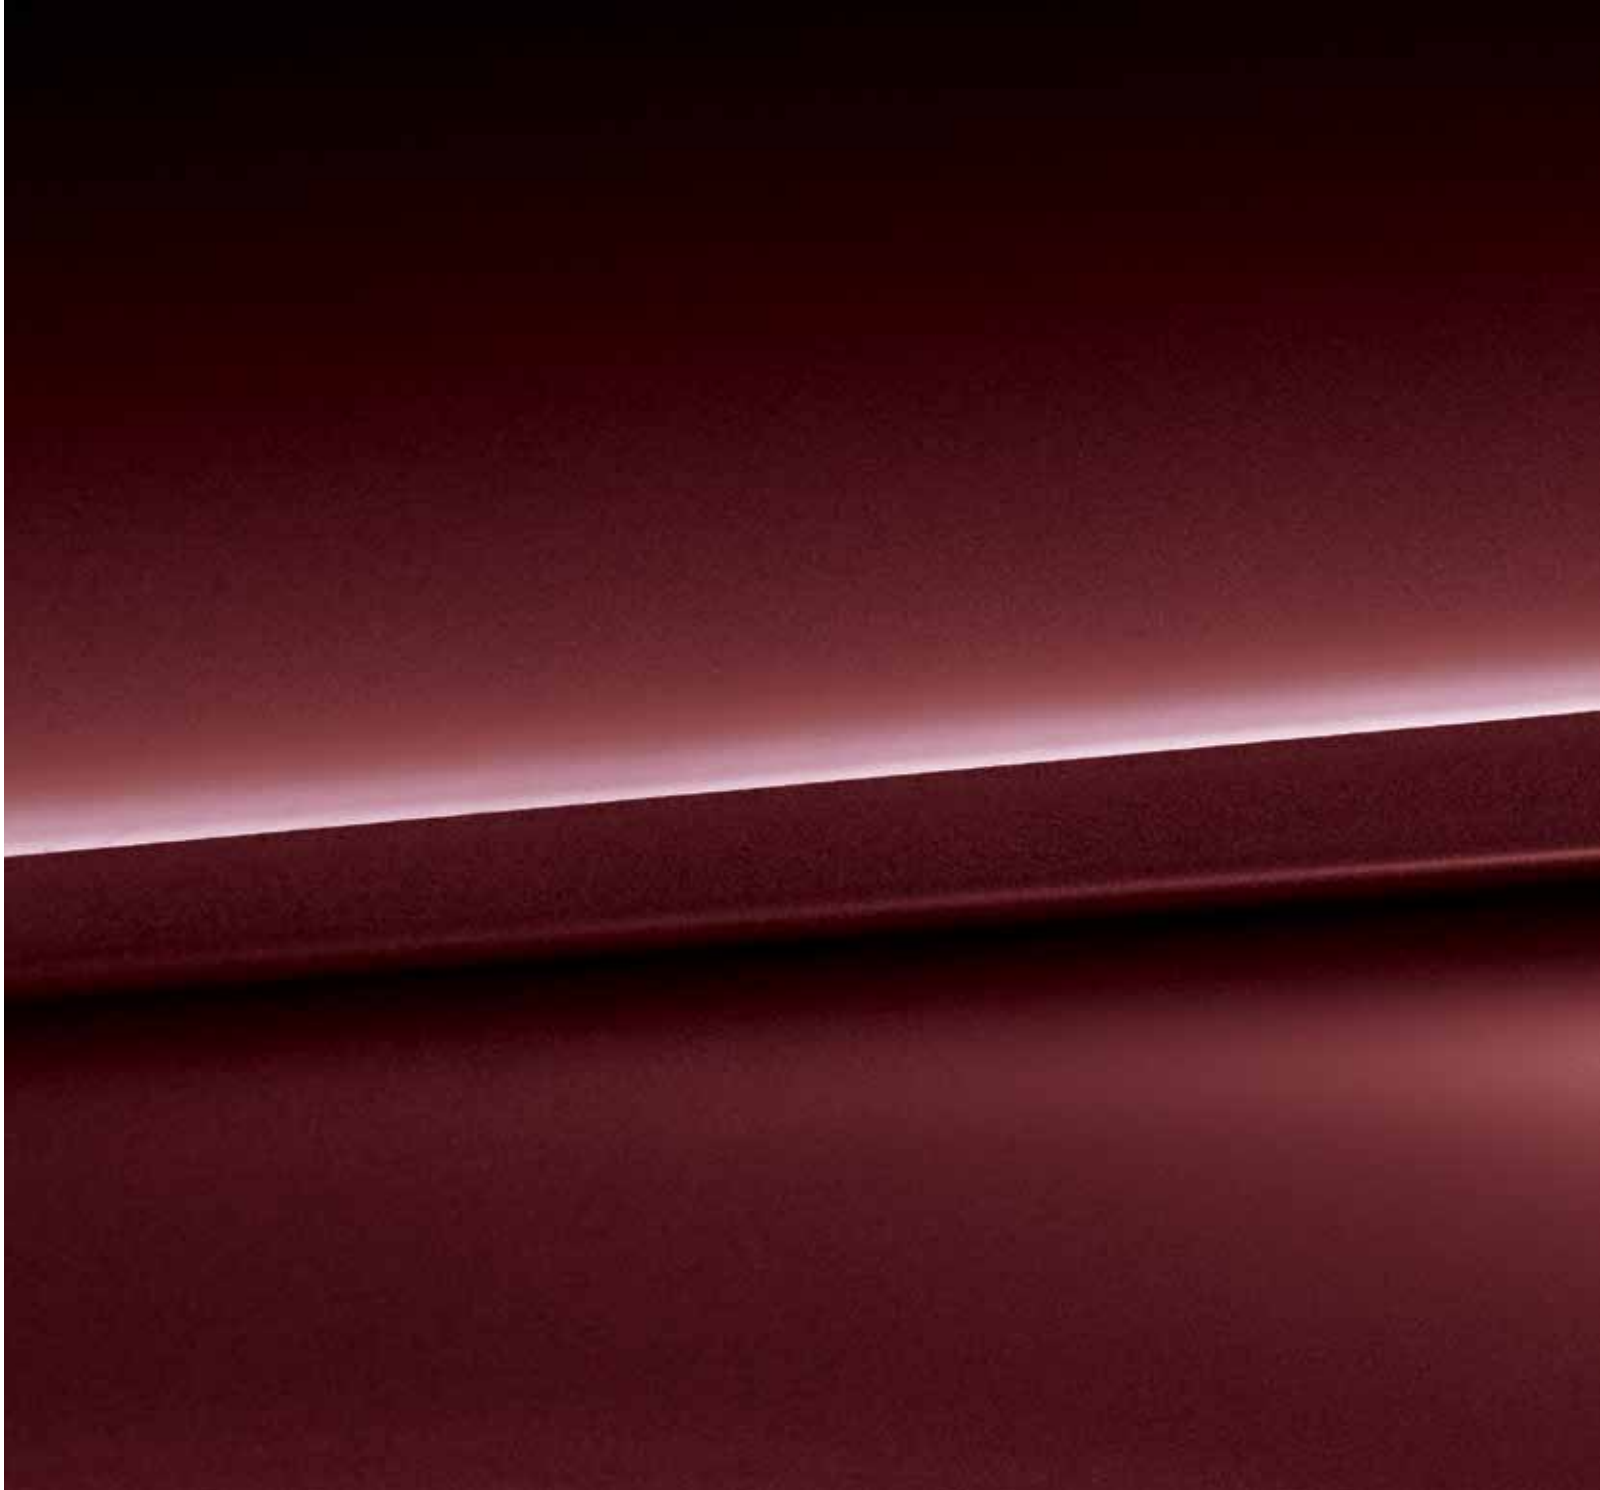
Audi exclusive

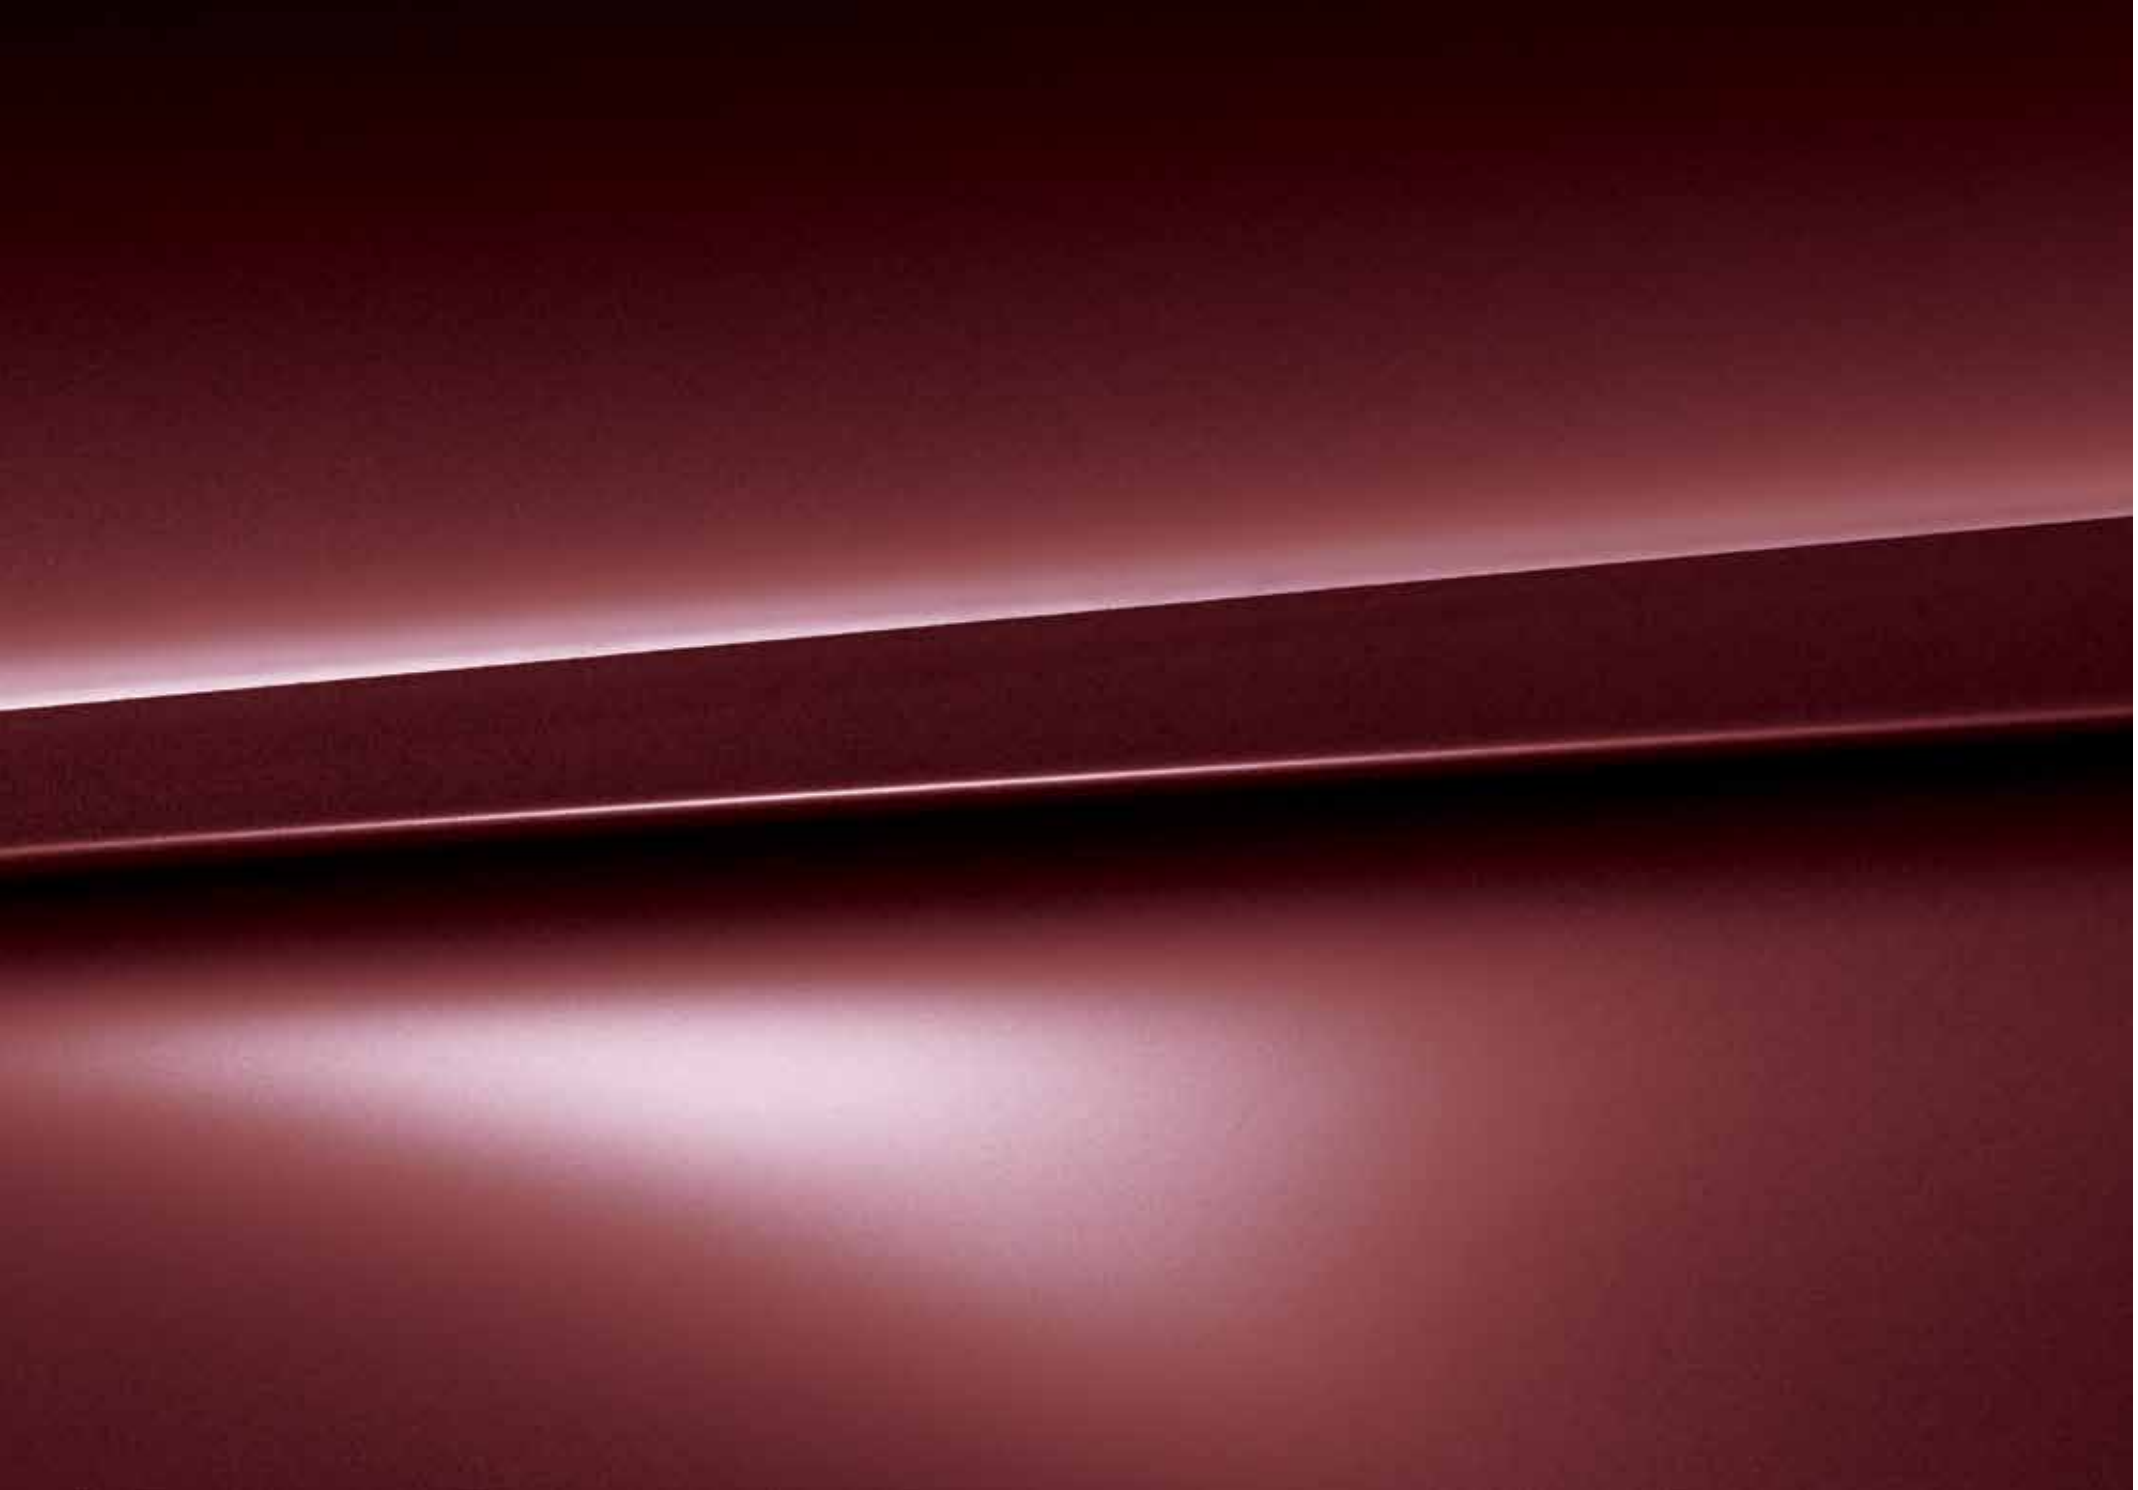
Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new A6 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Paint choices

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.



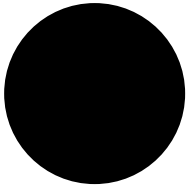


Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

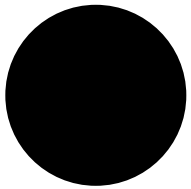
Standard colours

Ibis white – **T9**

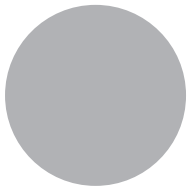


Brilliant black – **A2**

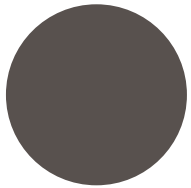
Optional colours



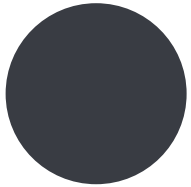
Havanna black, metallic – **4J**



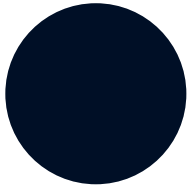
Ice silver, metallic – **P5**



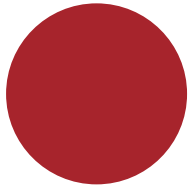
Dakota grey, metallic – **Y7***



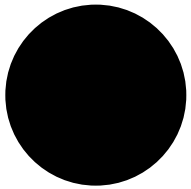
Oolong grey, metallic – **4N**



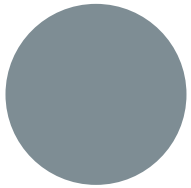
Moonlight blue, metallic – **W1**



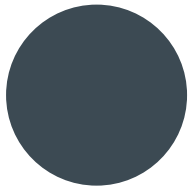
Garnet red, pearl effect – **9C***



Phantom black, pearl effect – **L8**

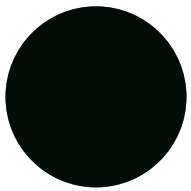


Quartz grey, metallic – **Q4**



Aviator blue, metallic – **U0***

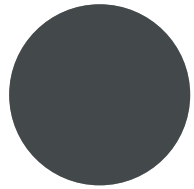
Glacier white, metallic – **2Y**



Deep green, pearl effect – **3W***

Arctic silver, metallic – **Y0***
(Available on hybrid only)

S line colour



Daytona grey, pearl effect – **6Y***

Options are subject to availability and may extend delivery.

*Not available on S6.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Paint

Audi exclusive

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro. The choice is yours.

Customised

If you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.*

*Custom paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

†Visit your local Audi Centre for colour samples.

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Valcona leather or Valcona leather/Alcantara, in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

S6 model with optional all-LED headlights including high-beam assist (PX2) and Adaptive cruise control with Stop&Go function (PCG)

Packages

Some items work well together, which is why we've created these special packages. They provide increased convenience and value by combining several of our most popular options.

Order Code		SE	S line	Black Edition	Hybrid	S6	Basic RRP	Total RRP inc VAT
WB3	**Technology package** Featuring MMI Navigation Plus with MMI Touch, colour Driver's Information System (DIS), Park assist and Audi Music Interface **MMI Navigation Plus (PNQ) –** includes HDD-based Navigation with topographical map display, places of interest and town models in 3D. Destinations can be entered via the speech dialogue system or MMI Touch, including 7-digit postcode recognition. Also includes DVD player and 2 SDHC memory card readers **Driver's Information System (DIS) with 7" colour display (9Q8) –** high-resolution TFT colour 7" display in direct field of view of the driver. Shows information from driver assistance systems, media in use, telephone menu, gear, outside temperature and other display content of the MMI such as night vision assistant (if optionally selected) **Park assist (7X5) –** searches for suitable parking spaces along the road by means of ultrasonic sensors, calculates the ideal parking path and performs the steering action virtually automatically. Steering is done by the vehicle; the driver need only accelerate and apply the brakes **Audi Music Interface (UF7) –** a universal connection for use with stereo audio sources, USB and MP3 devices For more details please see pages 70, 73 and 80	●	●	●	–	●	£1,333.33	£1,600.00
WB6	**Technology package advanced** Includes all the features of technology package (WB3) as well as adaptive cruise control and the Audi pre-sense plus safety package (PCN) which, in a situation where a collision is inevitable, allows full brake application to avoid or lessen the impact of the collision **Audi adaptive cruise control with Stop&Go function including pre-sense front (PCG) –** automatic distance regulation, using radar sensors to maintain the required distance between vehicles by braking and accelerating. Works at speeds between 0 and 155mph† **Audi side assist including pre-sense rear (PCH) –** aids the driver when changing lane. The system monitors the area behind your car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind **Audi active lane assist (PCB) –** helps the driver to stay in lane with gentle steering impulses for greater safety and convenience **Exterior mirrors (6XE) –** heated, electrically adjustable and electrically folding, with automatic kerb view function which tilts the passenger mirror downwards towards the kerb when reverse gear is engaged Not available in combination with manual transmission. On SE trim must be combined with Xenon or all-LED lights (PXB/PX2) For more details please see pages 76 and 79	●	●	●	–	●	£2,791.67	£3,350.00

Options are subject to availability and may extend delivery.

Audio and communication

Order Code		SE	S line	Black Edition	Hybrid	S6	Basic RRP	Total RRP inc VAT
8RY	**BOSE® surround sound** - 14 speakers including centre speaker in the dashboard and subwoofer in the spare wheel well - 12-channel amplifier with a total output of over 600 Watts - Acoustics specially tuned to the interior - Surround sound reproduction 5.1 (in combination with MMI Navigation Plus) and stereo recordings (CD, radio, MP3) - AudioPilot for noise-compensating volume adjustment - Powerful, precise bass reproduction	●	●	S	●	●	£833.33	£1,000.00
8RF	**Bang & Olufsen Advanced Sound System** - 15 speakers including subwoofer and centre speaker, each with their own amplifier channel for genuine 5.1 surround sound - 10-channel DSP full-digital amplifier with a total output of over 1,200 Watts, fully digitised and highly efficient 5-channel ICEPower amplifier for woofers and subwoofer - When switched on, two acoustic lenses extend from the dashboard for excellent sound rendition and perspective from all seats - Polished aluminium speaker covers - Acoustics specially tuned to the interior through the targeted use of tweeters, mid-range speakers and woofers - Speakers in encapsulated housings isolate music and telephone conversations within the vehicle for privacy – when making phone calls in handsfree mode, for instance - Automatic adjustment of volume to the driving situation Only available in combination with MMI Navigation Plus (PNQ/WB3/WB6). Please note that this option will reduce the boot space	●	●	●	–	●	£5,250.00	£6,300.00
PT5	**Mobile telephone preparation – Low with Bluetooth and voice control.** Provides handsfree connection via Bluetooth using a mobile phone aerial. Operation via MMI, the multi-function leather steering wheel or the speech dialogue system. Alternatively, it can use a cradle with charging facility for optimal reception via the external aerial, located in the front centre armrest. Cradle available at extra cost – please contact your Audi Centre for phone compatibility	●	●	●	●	●	£145.83	£175.00
9ZW	**Mobile telephone preparation – High with Audi connect.** A mobile phone can be connected to the internal UMTS (3G) module via Bluetooth (provided the mobile telephone has SIM Access Profile[1]), or alternatively through the additional SIM card reader[2]. It is possible to transfer phone book entries to the car and manage call lists. Audi Connect features include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi Connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet)[3]. Many Audi connect features can be simply operated via MMI Navigation Plus, the multi-function steering wheel or the voice control system. Only available in combination with MMI Navigation Plus (PNQ/WB3/WB6)	●	●	●	●	●	£291.67	£350.00

Options are subject to availability and may extend delivery.

– = Not available
● = Available
S = Standard

[1]To check the compatibility of your mobile phone and whether it has SIM Access Profile compatibility, please visit www.audi.co.uk/owners-area/phone-compatibility.html

[2]Please note that when a data SIM card is inserted into the SIM card reader, Bluetooth handsfree connectivity is disabled, as the SIM card takes priority over the Bluetooth connection.

[3]Online services are only available for mobile phone contracts including a data option and only within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract). Due to high data volumes, a mobile phone contract including an unlimited data plan is strongly recommended. The content and scope of the online-based services offered may vary.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Order Code		SE	S line	Black Edition	Hybrid	S6	Basic RRP	Total RRP inc VAT
PNQ	**MMI Navigation Plus including MMI Touch.** Hard disk navigation with topographical map display, places of interest and town models in 3D. Destinations can be entered via the speech dialogue system or MMI Touch, including 7-digit postcode recognition. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Includes 8" display with split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver's Information System (DIS). Incorporates MPEG4-compatible DVD player and two SDHC memory card readers (for cards of up to 32GB). Also includes vehicle support based on navigation data including: adaptation of transmission, lights and adaptive cruise control with Stop&Go function (depending on options fitted). This system is still available even when navigation is deactivated. Also available as part of the technology packages (WB3/WB6)	•	•	•	S	–	£979.17	£1,175.00
		–	–	–	–	•	£812.50	£975.00

KS1	**Head-up display.** An optical system of mirrors project driving-related information directly into the driver's field of vision. To prevent ghost images, a special windscreen with a wedge-shaped film is fitted. This film measures approximately 26 x 9cm in size, and the driver perceives the display to be 2 to 2.5m beyond the windscreen. The display has many benefits:
	- Helps to increase safety, convenience and driving pleasure
	- Straightforward operation via MMI
	- Display is height-adjustable, adjusts to ambient brightness
	- High resolution of up to 480 x 240 pixels
	- The following are displayed (depending on chosen option):
	  - road speed
	  - navigation instructions
	  - adaptive cruise control status, distance from vehicle ahead and set speed
	  - warning messages
	  - infotainment lists
	  - speed limit display

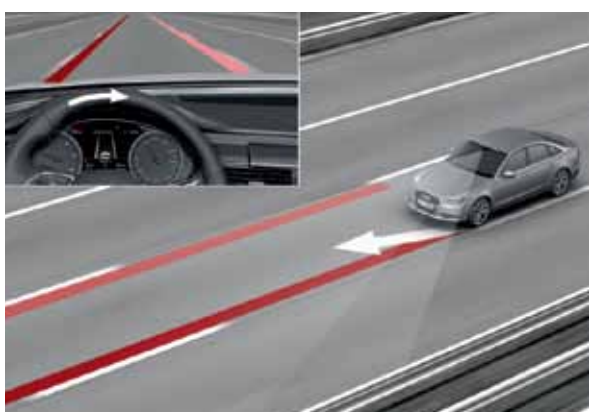
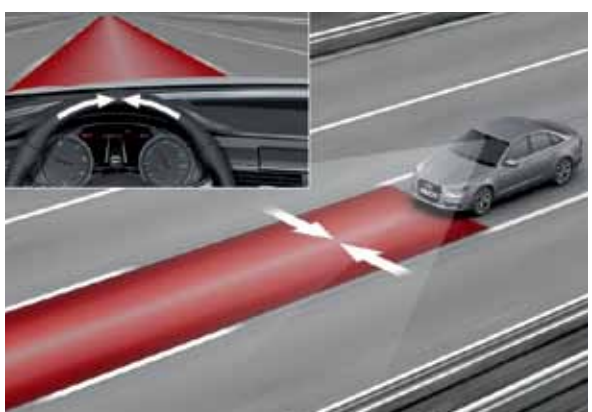
8X1	**Headlight washer system**	●	S	S	●	S	£179.17	£215.00
8N7	**High-beam assist.** Variable headlight range control featuring a camera on the interior mirror which registers sources of light from other road users. The range and width of the headlight beam are continuously varied between dipped and main beam to suit ambient conditions, ensuring that the headlights provide good visibility without dazzling other road users	●	●	●	●	●	£116.67	£140.00
PXB	**Adaptive light and high-beam assist, including bi-Xenon headlights with LED daytime-running lights, LED tail lights and headlight washers.** Includes swivelling headlights for improved illumination of a winding road, and dynamic cornering light function which pivots the headlights based on the movement of the steering wheel (operational between speeds of approximately 6mph and 68mph). Turning-light function is activated when indicator is switched on (up to speeds of 45mph). The headlights have three different light distribution modes: town light, motorway light, or country light, which are adjusted according to speed or via navigation route data (if fitted with MMI navigation plus with MMI touch - PNQ). Additional functionality via navigation-based vehicle support includes junction light, which provides a wide front light setting, as well as travel mode, which switches between right and left-hand drive modes assisted by GPS data. High-beam assist automatically adjusts headlights from high-beam to dipped-beam when another vehicle is approaching or when other ambient lighting is detected (i.e street lights) by a camera on the interior mirror. Not available in combination with all-LED headlights (PX2)	●	–	–	●	–	£1,045.83	£1,255.00
		–	●	●	–	●	£500.00	£600.00
PX2	**All-LED headlights including high-beam assist.** LEDs for all front lighting functions. LED technology provides lower energy consumption and enhanced contrast with a colour similar to daylight, for increased safety and good recognition by other road users. Includes all-weather light function to reduce the risk of the driver being dazzled when visibility is poor (in fog, rain or snow), turning light function which is activated when indicator is switched on (up to speeds of 45mph), and an additional motorway light which automatically increases headlight range at speeds above approximately 68mph. Also includes high-beam assist which automatically adjusts headlights from high-beam to dipped-beam when another vehicle is approaching or when other ambient lighting is detected (i.e. street lights) by a camera on the interior mirror. Not available in combination with Adaptive headlights and high-beam assist (PXB)	●	–	–	●	–	£2,083.33	£2,500.00
		–	●	●	–	●	£1,050.00	£1,260.00

All-LED headlights including high-beam assist



Audi active lane assist



Audi active lane assist

Safety and security

Order Code		SE	S line	Black Edition	Hybrid	S6	Basic RRP	Total RRP inc VAT
7W1	**Pre-sense basic.** Audi pre-sense is a comprehensive technical package for identifying dangers well in advance and intervening appropriately. Pre-sense basic networks the different vehicle systems, enabling driving situations to be categorised and, where necessary, actions to be taken to protect the driver and passengers. These include: belt tightening, activating the hazard warning system, closing the windows and the sunroof (if fitted)	•	•	•	•	•	£216.67	£260.00

PCB	**Audi active lane assist**. Helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads:
	- Informs driver if the car is drifting out of lane unintentionally above approximately 37mph
	- Driver has the choice of two system settings in the MMI:
	  - Early steering intervention – continuously helps the driver to stay in lane with steering impulses that centre the vehicle in its lane
	  - Late steering intervention – alerts the driver that the vehicle is possibly crossing the lane markings, at the same time as providing a corrective steering prompt
	- Additional warning in the form of vibrating steering wheel when lane markings are crossed, if specified by driver
	- Camera identifies individual or coloured lane markings, e.g. yellow lines at roadworks
	- Additional indication in head-up display (if selected as an option)
		•	•	•	•	•	£333.33	£400.00

PCH	**Audi side assist including pre-sense rear.** Aids the driver when changing lane. Audi side assist monitors the area behind your car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using a button in the driver's door and works at speeds above 19mph. The airbags are also pre-conditioned. Only available in combination with electrically folding door mirrors (6XL/6XE/6XK/6XF)	•	•	•	•	•	£437.50	£525.00
PCD	**Audi side assist including pre-sense rear and Audi active lane assist.** Includes all the features of Audi side assist (PCH) plus pre-sense rear and Audi active lane assist (PCB). Only available in combination with electrically folding door mirrors (6XL/6XE/6XK/6XF)	•	•	•	•	•	£770.83	£925.00
PCG	**Adaptive cruise control (ACC) with Stop&Go function including pre-sense front.** Automatic distance regulation, using radar sensors to maintain required distance by braking and accelerating. Four programs (distance 1 to distance 4) set via steering column controls of the cruise control system. Works at speeds between 0 and 155mph* and also includes Audi braking guard – a system which triggers a visual and acoustic alarm when it detects the risk of a rear end collision with the vehicle in front. In addition, the airbags are pre-conditioned if a crash is sensed and the system is prepared to assist with the necessary braking force once the brake pedal is touched. Only available in combination with colour Driver's Information System (9Q8) and, on SE models, Xenon or all-LED lights (PXB/PX2)	•	•	•	–	•	£1,108.33	£1,330.00
PCN	**Adaptive cruise control with Stop&Go function, Audi side assist and Audi active lane assist with pre-sense plus.** Includes all of the features of PCG and PCD plus Audi pre-sense plus which, in a situation where a collision is inevitable, allows full brake application to try to lessen the impact of the collision. Only available in combination with electrically folding door mirrors (6XL/6XE/6XK/6XF), colour Driver's Information System (9Q8) and on SE models Xenon or all-LED lights (PXB/PX2). Not available in combination with manual transmission	•	•	•	–	•	£1,879.17	£2,255.00

Safety and security

Intelligent technology designed to give you better all-round awareness and safety on the road.

Order Code		SE	S line	Black Edition	Hybrid	S6	Basic RRP	Total RRP inc VAT
7X5	**Park assist –** searches for suitable parking spaces along the road by means of ultrasonic sensors, calculates the ideal parking path and performs the steering action virtually automatically. Steering is done by the vehicle; the driver need only accelerate and apply the brakes. Only available in combination with colour Driver's Information System (9Q8)	●	●	●	●	●	£341.67	£410.00
KA2	**Audi parking system advanced with reversing camera.** An image of the area behind the vehicle is shown on the MMI display, with dynamic display modes showing the calculated path (steer-angle dependent); includes help lines, guidelines and identification of the point at which to apply opposite lock when parallel parking. The reversing camera is concealed in the handle strip of the tailgate	●	●	●	–	●	£333.33	£400.00
KA6	**Audi parking system advanced with top view.** Aids parking and manoeuvring using 4 cameras. Cameras are mounted in the front grille, the handle of the boot lid and the housing of the two exterior mirrors. The driver can choose between different image representations in the MMI display, including a live “bird's eye view” image for parking. Only available in combination with memory mirrors (6XF/6XG/6XL/6XM), electrically adjustable front seats (PV3/PS8) and MMI Navigation Plus (PNQ/WB3/WB6)	–	●	●	–	●	£750.00	£900.00
QR9	**Speed limit display –** the prevailing speed limit can be read on the Driver's Information System (DIS). Should the camera fail to see a sign properly, the speed limit from the data for the navigation system will be shown instead. The advantages: - Display of the speed limits currently registered, which can be called up in the Driver's Information System at any time - Display can be called up in every instrument cluster view and in the head-up display (optional equipment) - Camera-based system is also capable of detecting temporary speed restrictions in roadworks and on digital displays (e.g. over motorways) within the system limits - Display of national speed limits for Western European countries Only available in combination with MMI Navigation Plus (PNQ/WB3/WB6), and with Audi active lane assist (PCB), Audi side assist (PCD) or Adaptive cruise control (PCG/PCN)	●	●	●	●	●	£208.33	£250.00
9R1	**Night vision assistant with pedestrian detection –** a thermal imaging camera (remote infrared with resolution of 320 x 240 pixels) registers heat dissipation in front of the vehicle and represents this image in the Driver's Information System (DIS). Image recognition software highlights people detected in the darkness in yellow, and if the system classifies them as being at risk, a warning bell is sounded and the image changes to red. If combined with Adaptive light and high-beam assist (PXB) the person detected is also illuminated by the headlights three times in succession to alert them to the danger. Warning can also be shown in Head-up display (KS1) if ordered. System operation may be restricted in too much ambient light, high humidity and high night temperatures (over 28˚C). Only in combination with colour Driver's Information System (DIS) (9Q8) and on SE and hybrid models only in combination with Xenon or all-LED lights (PXB/PX2)	●	●	●	●	●	£1,258.33	£1,510.00

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi A6 model range and is therefore subject to change and mileage/model dependent.

Order Code			A6	Hybrid	S6	Basic RRP	Total RRP inc VAT

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. That's why we've developed a whole range of accessories to enhance your A6, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi. To find out more, just visit your local Audi Centre.

Warranty

All the accessories available on the A6 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products.

Audi Accessories warranty terms and conditions can be found at audi.co.uk

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£100.00
E – 131 to 140g/km	£120.00	£120.00
F – 141 to 150g/km	£135.00	£135.00
G – 151 to 165g/km	£170.00	£170.00
H – 166 to 175g/km	£275.00	£195.00
I – 176 to 185g/km	£325.00	£215.00
J – 186 to 200g/km	£460.00	£250.00
K – 201 to 225g/km	£600.00	£270.00
L – 226 to 255g/km	£815.00	£460.00
M – over 255g/km	£1,030.00	£475.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

When selecting the option of Audi Complete your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- Under 10,000 miles per annum – Fixed Inspection Service Schedule
- Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

	Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm
Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services. For further information and terms conditions please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary seven day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am - 9pm, and Saturday 9am - 5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

Audi Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Audi Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Services Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.
